

Subject: Invitation: A firsthand look at [Railroad or Business Name] and our impact in [District #/City Name]

Dear [Representative/Senator Name],

As the [Title, e.g., General Manager] of [Railroad or Business Name], I am writing to personally invite you to tour our operations in [City/County Name].

At [Railroad or Business Name], we are proud to serve as a vital link in the Texas supply chain, connecting local businesses to global markets and supporting jobs right here in [District #/CityName]. As you continue your important work at the Capitol, I believe a firsthand look at our operations would provide valuable context regarding how regional rail supports our local economy and infrastructure.

Why a site visit?

- ❖ **See the Impact:** Learn how we support [Local Industries, e.g., agriculture, manufacturing, energy] in your district.
- ❖ **Discuss Priorities:** We would welcome the chance to discuss the infrastructure and policy needs of the regional rail industry.
- ❖ **Community Partnership:** We believe in being a transparent, active partner in our community and would value the opportunity to introduce you to our team.

We would be happy to host you for a brief tour—including a look at our current operations and recent capital projects—at your convenience. We can also coordinate with the [TSLRRA team](#) to ensure the visit is seamless and provides great opportunities for local engagement and photos.

Are you or a member of your staff available for a visit during the week of [Date] or [Date]? We are happy to accommodate your schedule.

Thank you for your service to our district and for your continued support of Texas infrastructure.

Best regards,
